Native of Virginia's Northern Neck

Meet **Anas Todkill**, one of the first colonists who arrived at Jamestown in 1607 and accompanied Capt. John Smith on many of his explorations up the tributaries of the Chesapeake, including the two 1608 "Voyages of Discovery." Join him as he shares stories of this strange new land we call Virginia - and his encounters with the native peoples who lived here.

Catered Lunch by Diana Russell \$20.00 [Check or cash at the door]
